The background features a complex abstract design. It includes several overlapping geometric shapes: a large orange hexagon in the upper right, a teal hexagon in the middle right, and a smaller orange hexagon in the lower right. A large yellow circle with a halftone dot pattern is positioned in the lower center, containing a faint image of a building. A smaller, similar yellow circle is in the lower left. Diagonal lines in yellow, orange, and teal cross the composition. A blue stylized logo is located in the bottom right corner.

GENERAZIONE Y è un allestimento sui Millennials genovesi, ragazzi che rispondono alla crisi lavorativa puntando sulla creatività. L'allestimento comincia tra le vie della città per concludersi a Sala Dogana: punto di incontro tra arte e società. Attraverso le installazioni proposte, con schede informative tra un groviglio di fili e sagome, i ragazzi si presentano.

**Project selected from an international competition SHOT Sala Dogana Hands-On Transformation.**

GENERATION Y is an exhibition about the Genoa's Millennials, youngsters who react to the work crisis betting on creativity. Sala Dogana is the meeting point between art and society: though the proposed installations, with informative forms hanging down a tangle of filaments and silhouettes, the millennials introduce themselves.
