

你好
!!!
Hi...

... Good stuff this place is !?!

...in Vietnam to survive to what see serves you this garbage !!!

... Fortunately the government Nixon doesn't forget him of us !!!...

...ah excuses my name is John Smith

...and from civil i taught art...

... Think i taught !!!

... civil...

...and now... that art eh !?!

...see the sun tomorrow, is already an art!!!!

... Hihhihi...

... Excuses... wait for a moment friend...

Nnnm...

Done!!!

Did i say?...

...Ah yes...the war...
they say that Bosch the
painter...

...do you know
him?!?

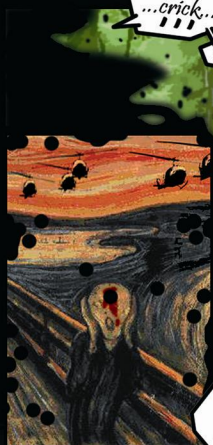

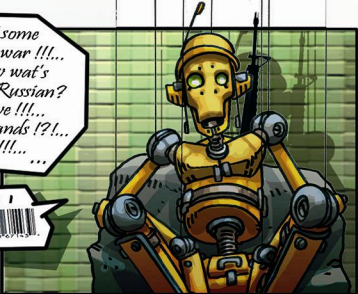

...beh say that Bosch had vision
of the future and also the hell poor guy!!!

...and us?!?...
... Mha!!!!...

... Would want some robots in war !!!...
... Do you know wat's Robota in Russian?
... means slave !!!...
... understands !?!...
... Slave!!!...
...

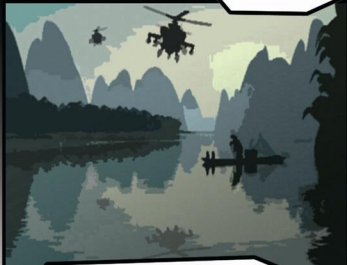

...crick...
...
...

... And us!?!
...

... We are not?...

... Don't i like shoot on the civilian !!!...
... and to you ?... mmm...
... Don't you answer !?!
...

... When i was at home, i liked the style of Magritte... do you know ?...
...

...You are a man of few words !?!

!!!
....!!!

But better whether to be alone !!!...

...Krack...
...crr...
!!!

...And you ...
What's your name ???...
